Edenbridge 
FUND CHANGE
& LAUNCH AT PACE

Fund Launch

Delivering fund launches within multiple jurisdictions covering all fund structures, with detailed planning and simple execution...at pace.

At Edenbridge we utilise our extensive experience to help you launch funds, doing this in a manner so that we deliver on time, efficiently and within budget.

Our team have an excellent track record of delivering fund launches across all structures, strategies, and asset classes.

Edenbridge can help you with setting out the road map to project manage the launch lifecycle and ensure a smooth handover of a live fund.

Fund Launch & Fund
Change. **Simplified.**

Fund Change

Delivering changes to any type of fund structure within any domicile, at pace using a structured block by block approach.

At Edenbridge, we work to understand your needs, assess and plan an approach using our templated building block design, ensuring we deliver the required changes with minimum complication, total regulatory adherence and at pace.

Our approach is different to many. Our experience is focused on fund related change. And our specialism sector is Asset Management.

Our directorship team has over 60 years combined experience in change and transformation, much of this within the fund space in asset management. Our only focus is funds.

Fund Launch & Fund Change. **Simplified.**

Fund Regulatory

Fund Launch & Fund Change. **Simplified.**

Ensuring regulatory compliance for funds, across all relevant jurisdictions and markets. Analysis and implementation carried out using a simplistic approach to help deliver your initiatives...at pace.

Our team at Edenbridge ensure we remain up to date with the latest developments in the regulatory environment. Understanding the complexities and how this may effect your business, helps us design and deliver efficient solutions that are relevant to both current and future requirements.

At Edenbridge, our experience of fund launch and change ensures that regulation design has been optimised for the fund type, fund structure and the jurisdiction in which fund is domiciled.

At Edenbridge, we supply the very best in Project and Programme related consultants. Our extensive network spans across the finance sector meaning we can locate the correct talent for your project needs.

We supply the very best in Project and Programme related consultants and analysts. Our extensive network spans across the finance sector meaning we can locate the correct talent for your project needs.
